**Re: Assigned Healthcare Common Procedural Coding System (HCPCS) Codes**

**Xref #:** 12575541

**Product:** Universal Shoulder Immobilizer and Universal Comfort Shoulder Immobilizer

**Model number:** 1510-00, 1510-XLong, and 1511-00

Dear Mr. Wells:

It is our determination that the Medicare HCPCS code to use to bill the four Durable Medical Equipment Medicare Administrative Contractors (DME MACs) for the product listed above is:

**L3660 SHOULDER ORTHOSIS, FIGURE OF EIGHT DESIGN ABDUCTION RESTRAINER, CANVAS AND WEBBING, PREFABRICATED, INCLUDES FITTING AND ADJUSTMENT**

The product appears to function as an abduction restrainer. The code requested function is to support acromio/clavicular site, this product does not support this function. The most appropriate code is the code assigned.

This decision applies to the application that we received on August 31, 2010. If information submitted in that application has changed or were to change, it could impact our decision. Therefore, a new application would need to be submitted for HCPCS coding verification review. This coding decision will be available within ten (10) working days on the Durable Medical Equipment Coding System (DMECS), which is located on the PDAC web site, [www.dmepdac.com](http://www.dmepdac.com). Please take the time to verify that this coding decision is correctly reflected in DMECS.

The assignment of a HCPCS code to this product is not an approval or endorsement of the product by Medicare or Noridian Administrative Services, LLC; nor does it imply or

guarantee claim reimbursement or coverage. If you have questions about claim coverage or reimbursement, please contact the DME MAC for your jurisdiction.

If you disagree with this decision, you may request a reconsideration within 45 days of the date of this letter. To request a reconsideration, complete the Reconsideration Request form, which can be found on our PDAC web site at [www.dmepdac.com](http://www.dmepdac.com) under the HCPCS Review tab. If your request for a reconsideration is made after the 45-day time frame, we will treat it as a coding verification review request and require a new application and documentation to support the request.

If you have any questions, please contact the Pricing, Data Analysis, and Coding (PDAC) Contact Center at the address listed above or by telephone at (877) 735-1326. The Contact Center is open Monday through Friday from 8:30 a.m. to 4 p.m. CT.
